

Tom's Country Place

Alcohol Ordering Recommendations

Frequently Asked Bar Questions:

Q: What vendors do you recommend to purchase the alcohol needed for my wedding?

A: Our recommended vendors, both located in Avon, can help guide you on the amounts and varieties of alcohol needed to complete your custom bar. They can also provide delivery to the venue.

1 Stop Beverage Shop	Minotti's Avon
37565 Colorado Ave.	35925 Detroit Rd.
Phone: 440-934-6141	Phone: 440-937-1092

Q: Are we required to use one of your recommended vendors for alcohol?

A: No. You may purchase the alcohol from any state-regulated vendor and deliver it yourself.

Q: When can the alcohol be delivered?

A: Alcohol can be delivered the day before the wedding during our regular business hours. We will provide storage and refrigeration.

Q: What are the drinks served in?

A: Drinks are served in clear plastic cups. Glassware is available at a fee.

Q: What happens to the leftover alcohol?

A: Any of your alcohol that has not been used is yours to take home. The bartenders will box it up for you at the end of the reception.

Q: Can the bartenders serve shots?

A: No. For the safety and security of all guests, we have a strict "no shots" policy. All drinks with liquor must contain both ice and a mixer.

Q: Will the bartenders have a tip jar?

A: Yes. Unless you request otherwise, in which case you may tip the bartenders yourself. We suggest a gratuity of \$1.00 per guest per bartender.

Bar Recommendations

Based on 100 guests
